HKBAC awarded NATA Safety 1st Clean™ Certification

The Hong Kong Business Aviation Centre (HKBAC) is pleased to announce that they have been awarded the NATA Safety 1st Clean™ Certification on 24 September 2020 by the National Air Transportation Association (NATA), the first internationally recognized hygiene standard for Fixed-Base Operator (FBO). NATA recognizes HKBAC's commitment to safety and service in providing a safe and clean environment to customers.

Madonna Fung, General Manager of HKBAC said, "We are very pleased to have attained the NATA Safety 1st Clean™ Certification. It is particularly encouraging during these challenging times as we continuously monitor developments of the COVID-19 pandemic and upgrade our response to ensure safe use of our facilities at all times. With the team's tireless dedication and can-do spirit, HKBAC will keep up our innovation in the new normal to underscore Hong Kong's position as an international aviation hub."

As Asia's premier FBO, safety has always been one of HKBAC's top priorities. Since January 2020, HKBAC has taken additional precautionary measures to ensure the hygiene and safety of its environment whilst running its operations. HKBAC has adopted industry best practice to step up cleaning and hygiene in every possible aspect and paying attention to the finest details. It has also upgraded the customer rest area in the lounge in May to provide more privacy and comfort.

Hong Kong Business Aviation Centre Limited

The Hong Kong Business Aviation Centre (HKBAC) is a premier executive aviation support facility for business aircraft. Located at the Hong Kong International Airport, HKBAC is the most convenient arrival and departure point for destinations in Mainland China, other parts of Asia and beyond.

Opened in 1998, HKBAC provides the full range of professional aircraft technical support, ground handling service as well as passenger and crew services. The team is trained to serve customers of different nationalities and cultures, and to provide highly personalized flight handling.

HKBAC has been voted the Best Asian FBO in Professional Pilot's PRASE survey for an unprecedented 13 consecutive years (2008-2020).
