**HKBAC voted the “Best Asian FBO” for 15 Consecutive Years in
Professional Pilot Magazine PRASE Survey**

[4 May 2022 – Hong Kong] The Hong Kong Business Aviation Centre (HKBAC) is proud to announce that we have been named the “Best Asian FBO” in the 2022 *Professional Pilot Magazine* PRASE Survey for the 15th consecutive year (2008-2022), an unmatched achievement in Asia. Regarded as the industry’s aviation ground service gold standard, the annual *Professional Pilot Magazine* PRASE Survey distinguishes the world’s best FBOs against demanding criteria. The recognition is a testimony to HKBAC’s commitment to providing exceptional ground services for business aviation.

Madonna Fung, General Manager of HKBAC said, “We are delighted to keep on the winning track and be awarded the ‘Best Asian FBO’ in the 2022 *Professional Pilot Magazine* PRASE Survey. Getting the accolade in such difficult times is particularly encouraging, as we have to double our effort to ensure our best-in-class technical support, ground maintenance, as well as passenger and crew services are the least affected by the challenging COVID pandemic. With the team’s tireless dedication, I have no doubt that HKBAC will be able to continue to press ahead with confidence and pizzazz in the new normal, contributing to Hong Kong’s position as an international aviation hub in thriving Greater Bay Area and Asia.”

As Asia’s premier FBO, Safety, Service and Style are HKBAC’s top priorities. We are committed to the strictest local and international aviation standards, such as that promulgated by the Airport Authority Hong Kong, Civil Aviation Department and all Control Authorities. We are the first FBO in Asia with co-located Customs, Immigration and Quarantine services. Our mission is to provide excellent service and continuously go beyond the extra mile always to deliver extraordinary and seamless travel experiences to our customers.
