

Mandatory Specimen Collection (Throat Swab) and COVID-19 Test for All Inbound Passengers from Taiwan or Outside Mainland China

All travellers arriving from Taiwan or outside Mainland China will be subject to following process at the designated testing facility at HKBAC.

Passengers must complete their [online Health & Quarantine Information Declaration](#) before boarding a flight to Hong Kong. Upon arrival passengers will be required to register for undergoing a nucleic acid test by scanning the health declaration QR code. The system will issue medical surveillance notices, vaccination records and Provisional Vaccine Pass QR codes electronically. After having their specimen collected for nucleic acid testing, the relevant inbound persons may proceed with the normal arrival Immigration and Customs process.

	Procedure	Location
1	Temperature Check	Designated Testing Facility at HKBAC
2	Registration by Scanning the Health Declaration QR Code	
3	Throat sample collection	
4	Immigration and Customs clearance	HKBAC
5	Board self-arranged transport to place of residence	HKBAC

Reminders:

- Failure to comply with the testing requirement is an offence, and will be liable to fine and imprisonment according to the Prevention and Control of Disease Regulation (Cap. 599A).
- HKBAC staff will escort passengers between designated testing facility and HKBAC. All incurred charge will be billed to the aircraft invoice; you may contact our Customer Service team for a quotation.

All Inbound Passengers from Mainland China/ Macao

Starting from 27th September 2022, all asymptomatic inbound passengers from Mainland China at Hong Kong International Airport (HKIA) will be subject to following procedures at HKIA E1 transfer area and HKBAC.

Passengers will undergo an interview with Port Health staff and no COVID-19 testing will be performed.

	Procedure	Location
1	Temperature check	HKBAC
2	Customs clearance for baggage	HKBAC
3	Interview with Port Health Officer	HKIA E1 Transfer Area
4	Immigration clearance	HKBAC
5	Board self-arranged transport to place of residence	HKBAC

Reminders:

- All arrival passengers are required proceed to the HKIA E1 Transfer Area immediately upon arrival.
- Only hand carry baggage would be allowed to be carried along with the passengers to the HKIA E1 Transfer Area. All passengers checked baggage would be cleared by Customs at HKBAC, and will be collected by the passenger or his/her authorized person at HKBAC.
- HKBAC staff and security officer will escort passengers between the HKIA and HKBAC. All incurred charge will be billed to the aircraft invoice; you may contact our Customer Service team for a quotation.

In regard of the latest testing and self-isolation arrangement for all air crew members, we would like to draw your immediate attention to remind all crew to strictly follow the conditions of self-isolation specified by the Department of Health.

Non-local based crew / Local based crew not entering community are mandated by respective company policy and local ordinance to remain inside their respective assigned hotel guest room for self-isolation throughout their stay from arrival through departure. In-room dining is generally available as crew are not permitted to leave their guest room and use public areas/ restaurants.

Please be aware that under local law it is an offense to fail to observe any of the conditions specified in the Notification of Medical Surveillance, which includes the requirement to observe self-isolation. The hotel is required to report such violations to the airline and the responsible Government department.
